L & R Soda Bar - N - Eatery

OUR STORY

In June of 2011, as a tribute to the pharmacy profession and independent drug stores, Kenny and Heather Clayton added an old-fashioned soda fountain to the pharmacy business they owned. In honor of drug store soda fountains and the important role they played in small-town America, L&R Soda Bar was opened on Public Square in Elkton, Kentucky.

The classic Soda Bar and Eatery, serving delicious ice cream treats and tasty food, has quickly grown into a destination restaurant. This popular location hosts Bike Nights, Cruise-In Car Shows and is a great place to celebrate after the local football game.

In early 2020, the Claytons elected to temporarily close the Soda Bar to make some necessary improvements. However, that closure was made much longer by the unforeseen Covid-19 crisis.

In a combined effort between a newly formed Kentucky non-profit, The Todd County Foundation, and the Claytons, L&R Soda Bar re-opened in August of 2021. The Foundation is managed by a volunteer Board of Directors with a mission to improve and support the quality of life in Todd County. All profits generated through the L&R Soda Bar are retained by the Foundation for reinvestment into the Todd County community.

L&R Soda Bar and the Todd County Foundation would like to thank the local community for their words of encouragement and continued support. Because of your overwhelming support of this project, the Board of Directors, the Clayton family, and the L&R staff will strive to be successful for many years to come.

Thank You,
The Todd County Foundation, Inc.
